We clip the following from the Lawrence (Kansas) Daily World, in regard to Charles A. Smart, son of R. Smart, of this village, and a former student of Milton college:

"The address of Charles A. Smart, of Ottawa, at the ratification meeting in the opera house was a surprise to even his closest friends. It abounded in wise political talk that went straight to the mark. It was learned and fair and it showed more clearly than most people had realized, the responsibility of the republican party at this time. Mr. Smart's plea for fairness to the men selected to office was a masterly one and struck a popular chord. Altogether the republicans of this county are delighted with the address and they will kindly remember the speaker."

# SPAIN WANTS A HUNDRED MILLION

## THAT IS THE PRICE SHE SEEKS FOR THE PHILIPPINES.

The Absurd Proposition Will be Rejected by the American Commissioners—She Will be Compelled to Accept the Terms Offered—Wanted to Resign.

Paris, Nov. 25.—[Special]—It is now regarded as certain that Spain will sign the peace treaty dictated from Washington. The resistance to some of its requirements has been obstinate. Persuasion and threats have alike failed to drive the American commissioners from the position they have occupied from the start, and after vainly seeking the good offices of the powers, the Madrid government has at last concluded to accept the inevitable. The decision is regarded here as a wise one, for a rejection would unquestionably have resulted in a renewal of hostilities, in which event the plight of Spain would have been deplorable, for she has practically no navy for offensive operations or for coast defense, while her army is a mere skeleton, incapable of offering any effective resistance to an invading force such as the United States could land upon her shores.

WANT A HUNDRED MILLIONS That is the Price Spain Wants for the Philippine Islands.

New York, Nov. 25.—[Special]—The Journal Paris special says the Spanish peace commissioners today sent a communication to the American commissioners asking if the United States would accept a counter proposal by Spain to cede the Philippines for a hundred million dollars. The Spaniards also suggested that the United States take all of the Philippines except the island of Mindanao, and pay Spain fifty million. The American commissioners, however, will, it is stated, make no concessions from their offer of twenty million for the whole archipelago. It is not known that Spain will use her whole time limit which expires Monday, before making a formal reply to the American ultimatum.

## THE MATRIMONIAL FEVER HAS STRUCK BELOIT.

A Large Number of Couples Were Made Happy on Thanksgiving Eve and Yesterday—The Ceremonies Were Followed by Elaborate Dinners and Showers of Rice.

Beloit, Nov. 25.—[Special]—Miss Mary Robinson was united in marriage Tuesday night to Henry H. Clark at the home of the bride's parents, 1003 School street. Miss Bella A. Robinson attended her sister as bridesmaid, and Ralph Clark, a younger brother of the groom, was best man. Rev. T. T. Creswell performed the ceremony. It was a beautiful, quiet home wedding, and only the relatives were present. Among the relatives were the aged grandfather, Elijah Clark, and his brother, Dr. E. M. Clark. The bride was gown in white organdy and carried bride's roses. The bridesmaid was dressed in white and carried pink roses. The young couple left on the 9:40 train amidst a shower of rice and good wishes.

At St. Thomas' Catholic church Wednesday morning occurred the marriage of James Mullen and Miss Annie Lyons, two well known and popular young people. John Mullen, brother of the groom, acted as best man and Miss Mamie Lyons, sister of the bride, acted as bridesmaid. The bride was attired in a brown cloth gown and looked very charming. The wedding was very plain, but nevertheless a great deal of interest was taken in it by the greater number of our citizens, for the bride is one of Beloit's highly respected and esteemed young ladies, having a countless number of friends. The groom is very well known, having lived here all his life, and like the bride has many friends. They received a large number of valuable gifts. Mr. and Mrs. Mullen left on the 9:40 train for Milwaukee, where they will make a short visit, and on their return will reside at the home of the bride on Third street.

Wednesday afternoon at St. Thomas' church parsonage, Frank Robinson and Miss Mamie Kerwin, daughter of Edward Kerwin, were made man and wife, Rev. M. J. Ward performing the ceremony. The couple were attended by Miss Sullia Kerwin, sister of the bride, and James Sheehan. After the ceremony the couple received a large number of their friends at the bride's home, corner of Vernon avenue and Eighth street.

Wednesday evening, at the home of the bride's brother, Mr. Geo. B. Merrill, occurred the marriage of Geo. P. Haynes and Miss Elizabeth Merrill, two very popular young people. The ceremony was performed by Rev. T. T. Creswell. The bride was attended by Miss Margaret Dunn and the best man was Edward Morris. The bride is a young lady who has many friends, and all who know her love her. Mr. Haynes was a former lieutenant of Co. E, W. N. G., and was a popular guardsman. He is also very prominent in the Modern Woodman Camp. A reception was given to over one hundred guests, after which the young couple went to their newly furnished home on the west side, with the best wishes of a host of friends.

Yesterday morning at 9 o'clock at St. Thomas' church, William Divine and Miss Annie Kermit were joined in the holy bonds of matrimony. The bride was attired in pink Henrietta, with lace and ribbon trimmings, and was attended by Miss Mary Divine, sister of the groom, who wore a pale pink silk gown with lace trimmings. The best man was Allie Bettman. It was a very pretty wedding, and a large number of friends were present.

Mr. Gottlieb Kressling, of Helenville, and Miss Bertha Haase, of this city, were married yesterday morning at St. John's German church at nine o'clock by Rev. H. Studtmann, the pastor. The young couple left at once for a short visit at Helenville.

A QUIET THANKSGIVING DAY

Janesville People Observed the Holiday in a Becoming Manner.

Janesville was in holiday attire yesterday. The groceries were open during the forenoon, but otherwise business was suspended. There were family gatherings without number, and those without families were made welcome at the homes of their friends, or dined in style at the hotel. Special menus were prepared at all the hostleries, and were keenly enjoyed.

The religious services of the day were not largely attended. Communion was celebrated at Trinity church. At Court Street Methodist church a union service of the Methodist, Baptist, Presbyterian and Congregational churches was held, and Rev. A. C. Kempton preached a discourse appropriate to the day.

Mass was said at all the Catholic churches in the morning.

There were several dancing parties, both public and private, in the evening, and people generally enjoyed themselves to the full extent of their opportunity. The day was free from disorder of any sort.

Shortly afterwards they began to feel very sick and Mr. Tower went to the drugstore to investigate the character of the medicine they had taken. It is said they took belladonna instead of dandelion extract.

# HENDERSON SAYS HE'S NOT MARRIED

## CONFESSES THAT HE ONLY ELOPED.

The Colored Musician Informed the Jail Officials Yesterday That the White Girl Was Not His Wife—Says She Left Peru of her Own Free Will.

Prof. Henderson, the colored man who was placed in jail here the first of the week on the charge of having eloped with a Miss Franks, a 17 year old white girl from Peru, Ill., informed the Rock county jail officials yesterday that he never was married to the girl as he at first alleged. He says that the girl fell in love with him and eloped to Wisconsin of her own free will.

The unfortunate girl, who was detained in Beloit, has been escorted home by angry parents.

When seen at the jail Henderson seemed as little concerned over the case as any one could possibly be. He said that he and his love came north together for the purpose of either locating in Janesville or Beloit, their intention being to open a musical studio.

Henderson, who is a man of about forty years, says that Miss Franks was one of his pupils at Peru, and that her fondness for him soon grew into love to such an extent that she came north with him.

This afternoon the colored musician was taken to Beloit for a hearing.

At 2 o'clock this afternoon John Griffin and Ernest Byers were brought into court to answer to the charge of larceny. Griffin pleaded guilty to receiving stolen goods and was sentenced to one year in the state penitentiary at Green Bay.

Byers' case went over till tomorrow morning at 9 o'clock.

Griffin and Byers were arrested several days ago for relieving a Beloit divine of a portion of his clothing.

## FURNITURE COMPANY GETS ASSISTANCE

CITIZENS SUBSCRIBE LIBERALLY TO ITS STOCK.

Organization Has Not Capital Enough to Swing Its Large and Increasing Business—Men of Means Pledge a Considerable Sum to Enable It to Carry on Business.

Upon the call of Mayor Thoroughgood a meeting of business men was held yesterday morning at the council chamber to consider what may be done to benefit the material interests of the city. It proved to be in the interest of the Janesville Furniture Manufacturing company, which finds itself unable to handle the business coming to it for the lack of the necessary capital.

Mayor Thoroughgood occupied the chair, and W. S. Jeffris stated the object of the meeting. He said there was danger that the company would seek some other location for their factory unless they received a helping hand. It had already proved of great benefit to this city by attracting business here. But it was to continue in business here it must receive a helping hand. It did not want a bonus, but asked that citizens come to its assistance by making a loan of a sufficient amount of money to enable it to take advantage of the hardwood lumber market and lay in a stock of necessary material. For this loan it was willing to pay four per cent interest. He had drawn up a subscription paper which he read, and which protected all subscribers fully, and he asked that the business men present sign it with liberal amount.

Several inquiries were made relative to the business of the company, which were answered satisfactorily. Mr. Jeffris then called for subscriptions, and in a few moments about \$5,000 was pledged, with more promised in a few days. It is confidently expected that the full amount of the stock desired—some \$20,000—will be taken within a week at farthest.

Those present at the meeting and subscribing to the stock were extremely cautious. They made every possible inquiry into the standing and prospects of the company, and it was only after being satisfied as to its solvency and good prospects that they subscribed.

There was an amusing passage between two of the gentlemen present. One of the gentlemen present verbally promised to take stock enough to double his present holding in the company, but when he signed the paper it was found that the amount was considerably less. A friend noticed the difference and took him to task. There was a running fire of banter between the two gentlemen which continued for some minutes much to the amusement of those present.

The subscription to the stock of the company will be circulated among our business men at once, and there seems little doubt that the amount needed will be secured without difficulty.

## THE PLAY WAS A SUCCESS

"The Lost Paradise" Captivated Two Audiences Yesterday.

There was a fair audience at the Myers Grand yesterday afternoon and a good one in the evening to witness "The Lost Paradise." The play was "The Lost Paradise." The play was of great dramatic power. In construction it is consistent, in dialogue entertaining and sprightly, and it proved one of the best amusement features of the season. Mr. Harrison J. Wolfe, in the role of Reuben Warner, was especially acceptable. He is an artist of great ability. Miss Marie Barringer as Margaret Knowlton and Miss Grace McLeod as Polly Fletcher, were both engaging and pleasing. It is seldom that a more complete and symmetrical play, acted by as competent a company, is seen in Janesville. It is to be regretted that the festivities of the holiday prevented the attendance of a larger number.

## PERIODS OF PAIN.

Menstruation, the balance wheel of woman's life, is also the bane of existence to many because it means a time of great suffering.

While no woman is entirely free from periodical pain, it does not seem to have been nature's plan that women otherwise healthy should suffer so severely. Lydia E. Pinkham's Vegetable Compound is the most thorough female regulator known to medical science. It relieves the condition that produces so much discomfort and robs menstruation of its terrors. Here is proof: DEAR MRS. PINKHAM:—How can I thank you enough for what you have done for me? When I wrote to you I was suffering untold pain at time of menstruation; was nervous, had headache all the time, no appetite, that tired feeling, and did not care for anything. I have taken three bottles of Lydia E. Pinkham's Vegetable Compound, one of Blood Purifier, two boxes of Liver Pills, and to-day I am a well person. I would like to have those who suffer know that I am one of the many who have been cured of female complaints by your wonderful medicine and advice.

—MISS JENNIE R. MILES, Leon, Wis.

If you are suffering in this way, write to Miss Miles at Mrs. Pinkham at Lynn, Mass., for the advice which she offers free of charge to all women.

## PASSES WILL BE CUT OFF

Railroad Companies Are Revising Their List of Favored Ones

In conformity with a movement instituted every year, the railroads are preparing to greatly reduce the number of annual passes now held by friends and employees of the road. A Milwaukee railroad man explained last night that under the Interstate Commerce law the railroads cannot issue free annual passes, except to employees, and passes exchanged by employees of railroads with employees of other railroads, out of courtesy, so that all passes issued by the roads were "for services rendered."

A pass on one of the lines was issued to a resident of Milwaukee the other day, with the understanding that it was to be good only until Jan. 1 and gave rise to the report that passes were to be called in. This, railroad men say, however, is a customary provision, as all annual passes are reissued the first of each year.

## MANY WENT ICE SKATING

Fully a Hundred Participated in the Fun Yesterday Afternoon.

Thanksgiving was celebrated in more ways than one in the Bower City. It is doubtful if a more merry crowd was to be found anywhere yesterday afternoon than that which assembled on the pond in the rear of the gas house on North Bluff street. The pond was frozen so as to allow skating and no less than a hundred lovers of the sport participated in the fun, while an equally large number were on hand merely as sightseers. It proved to be the first good day's skating of the season.

The river is frozen in some places near shore, but is unsafe.

## IMPROVE THEIR CLUB ROOMS

Coterie Club Expend Two Hundred Dollars in Remodeling.

Members of the Coterie club may well feel proud of their present quarters on South Main street.

For several days past workmen have been busily engaged in remodeling their suit of rooms. New hardwood floors have been made new by handsome paper. Window seats have been built and new and costly draperies have been added throughout.

It is the intention of the club to soon entertain at a gentlemen's smoker as well as having a ladies' night.

The new improvements have cost in the neighborhood of \$200.

## Keep Your Eyes Open

When a merchant offers any shoe, \$4 and \$5 shoes as he may call them, your unlimited choice at \$2.98, he confesses over his own signature, either that his original price was exorbitant, very excessively too high or that his discount is fictitious. The only other contingency, that of his offering his entire stock below cost, is hardly worth considering in the minds of intelligent people. Before buying take a look at those men's willow calf shoes all leather lined, new round toe we are offering at \$2.50, also don't fail to see those horse hide shoes we are selling at \$2.50. F. L. ## THE CARPETBAGGER COMING

Promise of a Rare Treat on Friday of Next Week.

Tim Murphy's new play, "The Carpetbagger," in which the well known character comedian will be seen at the Myers Grand on Tuesday, December 3, is a political, romantic comedy, dealing with certain phases of the "reconstruction" period, shortly after the civil war. Mr. Murphy portrays a northern governor of a southern state; a man whom the fortunes of the struggle and the exigencies of politics have made temporary ruler of an enemy's country—an absolute monarch in a republic. Mr. Murphy's critics all say that the authors of "The Carpetbagger"—Opie Reid and Frank S. Pixley—have furnished him with a role which gives him full scope for his talents, both as a comedian and a character actor. He has surrounded himself with a company of unusual strength. The piece is presented with the benefit of an equipment of special scenery. Sale of seats and boxes open at box office Friday morning, Dec. 2.

## O'DEA BREAKS TWO WORLD'S RECORDS

CAPTAIN OF WISCONSIN FOOTBALL TEAM AT EVANSTON.

He Kicked a Sixty-Yard Goal in the Thanksgiving Game—A Long Distance Drop Kick of 210 Feet—He is an Australian, and Will Finish Course at the University.

Patrick O'Dea, captain of the University of Wisconsin football team, who broke two world's football records in the game at Evanston yesterday against the Northwestern university, is a modest Australian. By one powerful swing of his good right leg he smashed all previous records in drop kicking, a goal from the field and in long distance drop kicking. The goal was from the sixty-yard line. When he dropped the oval it struck the line which marked the sixty yard line, and on the rise his toe sent it sailing over more than half the length of the field and high above the center of the cross bar. Never did a pigskin go truer in its course between the uprights. It struck the ground ten yards behind the goal line, recording a long distance drop kick of 210 feet.

Football veterans who looked on were amazed at the temerity of the "kangaroo kicker" in attempting such a seemingly impossible feat. They were bewildered at the result. Spectators, experts and even the players of both teams on the gridiron were dazed for a moment by the wonderful performance. The hero of the incident, who by that single act has immortalized himself in the annals of football, was the calmest and most collected man on Sheppard field. He did not even evince surprise at the success of the kick. As soon as Referee Wrenn announced a goal Captain O'Dea called to his men and hurried them to his end of the field ready for the kick off.

The records of goals from the field, either in games or in practice, do not equal the phenomenal performance of O'Dea. In distance drop kicking this same performance of 210 feet far surpasses previous records. The best recorded distance was 172 feet 8 inches, made by F. Hardgrave, Queen's Park, Brisbane, Australia, October, 1882. The best in America was 168 feet 7 1/2 inches, made by J. E. Duffy of the University of Michigan, May 22, 1886. The badger captain had beaten these records at the University of Wisconsin field day last year, with a new mark of 187 feet.

O'Dea is 24 years old. He is 6 feet tall and weighs 165 pounds. He is long limbed, lithe and muscular. He came to America from Australia two years ago and is now a member of the middle class of the Wisconsin law school. He will remain there next year to finish his course. Before coming to this country O'Dea attended the university at Melbourne. He has played football since he was sixteen years old. Andrew O'Dea, the oarsman who became famous through his "Yarra Yarra" stroke, who coached the Wisconsin crew several years and who has just accepted an offer to coach the Harvard crew next year, is a brother of the football captain.

## Believe Your Own Eyes.

That is all we have to say. If you see box calf, willow calf, winter tans, vicid kid and colt skin shoes, all new styles, here marked \$2.50 and they ask you \$2.98 for those same shoes elsewhere, calling them worth \$4 and \$5, don't be a victim and let some smoothie, slick oily tongued salesman convince you that your eyes deceived you. We feel confident that there is enough difference in our prices and the prices elsewhere that we are willing to leave it to your judgment. F. L. Quatsee, advertiser of facts.

## What Do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink called Grain-O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1-1/2 as much. All grocers sell it, 15 and 25c.

## JUDGED BY RESULTS.

Why Intelligent People Put Their Faith In Dr. Greene.

His Wonderful Curative Remedy, Dr. Greene's Nervura.

A Prominent Citizen of New Hampshire Relates His Experience.

"By their fruits ye shall know them." Self-confident and sincere is the man who is willing to be judged by results. Such a man is Dr. Greene, the discoverer of Nervura, the standard remedy for diseases and weaknesses of the blood and nerves. Advanced science has demonstrated that the vast majority of human ailments are symptoms of weakened vitality or some derangement of the nervous system. Chronic exhaustion, dyspepsia, headaches, neuralgia, insomnia, and resultant effects upon the mind as manifested in irritability and melancholy, are nervous disorders, and can only be cured by a revitalization of the nervous system. Mr. Alvah H. Bryant, Manchester, N. H., says:

"A year ago, this spring, I experienced trouble with my chest. It pained me at times so that I would involuntarily raise my hands to strike my chest in order to ease the depressing feeling. In addition to my suffering in this direction, I was troubled with extreme nervousness. Dr. Greene's Nervura blood and nerve remedy was recommended, and I tried four bottles of this medicine. The result was very satisfactory. In nearly the entire year following I seemed to be in perfect health."

I have no hesitation in recommending Dr. Greene's Nervura blood and nerve remedy to afflicted ones. Blood and nerve diseases are sometimes so complicated that there is much satisfaction in consulting Dr. Greene personally, which may be done at his office, 143 State Street, Chicago, Ill., or he can be written to in regard to any case. Consultation is absolutely free whether you call or write.

He uses the method of ed by Thomson & Taylor "T & T" brand as its flavor.

## POOR CHILDREN'S DINNER

Merry Throng at the Mary Kimball Mission Yesterday Afternoon.

A happier lot of children could not be found than those who gathered at the Mary Kimball Mission yesterday afternoon to partake of turkey, chicken, duck and many other good things too numerous to mention. The tables were heavily laden with the most delicious of viands. The children began to assemble at 12 o'clock and made the air ring with peals of joyful laughter. The doors of the new chapel were thrown open at 2 p. m., and in the little ones marched, and with a hearty good will did they partake of the good things placed before them. The following was sung in a most hearty manner.

Be present at our table, Lord, Be here as everywhere adored; Give us Thy grace, and grant that we May rest in Paradise with Thee.

## A Card of Thanks.

I desire to thank the many kind friends who so liberally donated of their earthly store, thus making Thanksgiving a day of joy to many of God's precious jewels, and in this way enabling me to succeed in the glorious work to which he who said "Inasmuch as ye did it unto one of the least of these, ye did it unto me," has called me. And also would I express my gratitude to the kind friends who devoted the entire day in assisting me in serving the little ones.

MARY KIMBALL, City Missionary.

Evidence Which is Right to the Point and Reliable.

Judge Frank Ives of the District Court of Crookston, Minn., says: For some time I have used Stuart's Dyspepsia Tablets with seeming great benefit with few exceptions. I have not been so free from indigestion in twenty-five years.

George W. Roosevelt, U. S. Consul to Brussels, Belgium, Stuart's Dyspepsia Tablets, a life pleasant to take, convenient to carry, give keen appetite, perfect digestion.

Mr. W. D. Tomlin, mechanical engineer, Duluth, Minn.: One box of Stuart's Dyspepsia Tablets has done its work; and I am gaining flesh and strength.

O. E. Ransom, Hustonville, Ky.: I was distressed and annoyed for two years with throwing up food, often two or three times a day; had no certainty of retaining a meal if I ate one. Four boxes of the tablets from my druggist have fully cured me. I find them pleasant to take, convenient to carry.

Rev. G. D. Brown, Mondovi, Wis.: The effects of Stuart's Dyspepsia Tablets is simply marvelous; a quite hearty dinner of broiled beefsteak causes no distress since I began their use.

Over six thousand people in the state of Michigan alone in 1894 were cured of stomach troubles by Stuart's Dyspepsia Tablets.

## TWO MORE BODIES FOUND.

Searching for the Victims of the Baldwin Hotel Fire.

San Francisco, Cal., Nov. 25.—It will be impossible for many days to tell accurately the loss of life by the Baldwin hotel fire. The body of J. M. Leithard, purser of the steamer City of Sydney, was found Thursday in the bathroom of his apartments, badly scorched. Another body, that of a woman, was recovered late this afternoon. The body was so badly burned that identification must depend upon the teeth. Four other people are still missing—John J. Carter, associate judge of the Jockey club; Tate Prior, sheet writer for J. J. Carroll; Andrews, cashier of the Baldwin grocer, and W. W. Benchley, an employee of the restaurant.

Search is being prosecuted actively, but the debris is piled in such a mass that the work is very slow, and if any bodies went down with the burning partitions and furniture into the cellar, it may be a week or ten days before they are recovered.

## Ask Zurlinden to Resign.

London, Nov. 25.—The Morning claims to have special information that the French prime minister, M. Dupuy, and the minister of war, M. De Frey, have asked for the resignation of Gen. Zurlinden, military governor of Paris, owing to the refusal of the latter to explain a certain statement made during his testimony in the Dreyfus case before the court of cassation. The incident, if it is correctly reported, led to a remarkable outburst of temper on the part of Gen. Zurlinden, who angrily signified his intention to comply with the minister's request.

London, Nov. 25.—A large increase of Russian garrisons in China is certain next spring. The military establishment at Port Arthur will be raised to 50,000 troops. Such movements of troops will amount to a virtual occupation by Russia of Manchuria.

It is believed that the managers will be successful in bringing the men together.

Buda-Pesth, Nov. 25.—A duel has been fought between Minister of the Interior Desiderius De Perczel and Deputy Hottó, a member of the independent party, as an outcome of the minister's speech in parliament Nov. 22, in which the deputy considered himself insulted. Cairo, Nov. 25.—The khedive has expressed a desire to visit England and pay his respects to the queen. Rumor That Spain Has Decided to Give Up.

## CARLISTS BECOMING ACTIVE.

Long Threatened Rebellion Seems to Be Approaching — Manner Riles Have Been Smuggled Into Spain by the Partisans of the Pretender.

London, Nov. 25.—A special dispatch to the Daily Mail from Madrid says that the cabinet has agreed in principle to authorize Senor Montero Rios to sign the treaty of peace, although they may instruct him to insist that the treaty shall be ratified by the cortes.

The reservation of ratification by the cortes would not seem to be important to the United States, however it may affect the domestic politics of Spain, as that body has already authorized the cabinet to alienate Spanish territory.

That the Carlists are only waiting for the peace treaty to begin long-threatened rebellion seems increasingly probable. A dispatch to the Daily Mail from Madrid says it is reported that the Carlists have smuggled 12,000 Mauser rifles into the country.

The public continues to ridicule the idea of accepting \$20,000,000 for the Philippines. While the people are willing to see ahead of them relief from the colonial burden, they yet hope to see Spain realize enough from parting with her islands to enable her to start in life, as it were, with a new set of books.

Michigan Defeats University of Chicago Football Team.

Chicago, Nov. 25.—Chicago was beaten. The eleven of the university, which made so creditable a showing against Pennsylvania, which has been generally accepted as the strongest team in the West, and whose admirers considered it invincible, was outplayed, routed and defeated by Michigan. The score was 12 to 11, but in actual play the Wolverines' margin was far greater.

## Money Being Returned.

New York, Nov. 25.—The Corbett-Sharkey bets are being settled. The larger bets made by the betting men have been returned. The outlook is that the big money will be returned to its original owners. Although Kelly's decision declaring all bets off has been condemned, the fact is that wagers on the fight will go by his final verdict. It is the opinion of sporting men and those who had bets up that Kelly was technically wrong when he decided the money, but that his course under the circumstances was perfectly proper.

HIGH SCHOOL TEAM WINS NEW LAURELS

THEY DEFEATED WHITEWATER YESTERDAY.

Contest Was Hard Fought Battle, the Home Team Playing a Pretty Game — The Score Stood 6 to 0—Coterie Club Went Down to Defeat at Athletic Park.

It is doubtful if ever the members of the Janesville High school football eleven played as hard to win a game as they did at Whitewater yesterday afternoon, when they defeated the High school team of that city. The score stood 6 to 0. From start to finish the battle was a royal one, and for good all-around playing it was the general opinion that the Whitewater boys were the better posted of the two.

The Whitewaters kicked off, and with a wild rush they followed down the field, carrying all before them. They seemed to possess superior strength and weight, and for this reason they kept the ball in Janesville territory most of the time.

The crowd, of course, was made up mostly of supporters of the Whitewater team, but the pluck and endurance of the visitors won the sympathy of a considerable portion, and several hearty cheers were given them.

The game was rather rough at times, but throughout was conducted in a friendly way, and little complaint was made.

The first half resulted in neither side scoring.

After the usual intermission the two teams came upon the gridiron much refreshed in spirits. The visitors started in from the minute the pigskin was kicked off, and throughout the second half they fought like tigers, and never for once lost an opportunity. Whitewater was fully alive, and by clever playing they had the ball dangerously near Janesville's goal line three different times. Two and a half yards would have covered the distance, but just as the last half of the second half was well under way Whitewater's fullback fumbled the ball and Carpenter, aided by Bonesteel, secured the ball and made a touchdown and goal.

The home team lined up as follows: Carr, l. e.; Smith, l. t.; Murwin, l. g.; Jorg, c.; Ryan, r. g.; Nott, r. t.; Bonesteel, r. e.; Palmer, r. h.; Pitcher, l. h.; Carpenter, f. b.; and Bump, q. b.

Ira Milhorne, of this city, acted as the referee.

Coterie Defeated.

At Athletic park yesterday morning, eight representatives of the Coterie club football team met their Waterloo at the hands of eight boys who styled themselves the Athletic association. An audience embracing sixteen occupied seats near the side lines, and cheered when over the opportunity presented itself. Brilliant plays, such as they were, abounded with both teams, and when time was called the game stood 12 to 5 in favor of the Athletic association. The line up was as follows:

Coterie.	Position.	Ath. Ass'n.
Joyce	l. e.	Samuels
Gall	l. g.	Smith
Bostwick	c.	Richardson
Bemis	r. g.	Nowlan
Flaherty	r. t.	McCarville

Lima Center.

Lima Center, Nov. 25.—Thomas Carter, an old resident of this vicinity, died October 6 at the home of his daughter, Mrs. St. John, in Kearney, Neb. He was eighty two years old last August, and leaves to mourn him a wife and four children, besides many distant relatives. Mrs. James Boyd, of North Lima, attended services twice last Sunday, and after returning home in the evening, was standing by the stove, surrounded by her family, when without a moment's warning she fell to the floor dead. The funeral services were held Wednesday, and the interment was in the Whitewater cemetery, by the side of her deceased husband. Mrs. Van Horn, of Heart Prairie, spent Sunday with her daughter, Mrs. Sam. O'Connell. Miss Dockstadter, of Shopiere, is visiting her aunt, Mrs. Mary Johnson and family. Samuel Bul-

lock and wife spent Sunday with their daughter, Mrs. H. L. Janes. Mr. Wrester and family were called to Prairie du Chien last week, to attend Mr. Wrester's brother's funeral.

TO REPORT ON PHILIPPINES

Agricultural Department Wants Geological and Other Information.

Washington, Nov. 25.—Secretary Wilson of the agricultural department has directed the publication of a report on agriculture in the Philippines, by Dr. George F. Becker of the geological survey, who visited the islands for the purpose of collecting geological and other information.

The report says little seems to have been done to promote advanced methods of cultivation in those islands or secure a scientific knowledge of their capabilities. There is a government school of agriculture and a botanical garden in Manila, several "model farms" and agricultural stations, but Dr. Becker says so far as he can learn the results have been significant.

Miraculous Escape from Wreck.

Kankakee, Ill., Nov. 25.—The Illinois Central's fast mail train, north bound, Wednesday evening narrowly escaped being wrecked. One of the wheels of one coach broke in two pieces a short distance south of Otto station but did not fly off the journal. The train was running more than fifty miles an hour, it being behind time. When the train was inspected at Kankakee Junction the wheel fell apart. The escape from wreck was considered marvelous by the general officers of the road, who were on the train. The rails show the marks of the broken wheel for a distance of eight miles.

Quay Certain of Victory.

Washington, Nov. 25.—The friends of Senator Quay of Pennsylvania say he is certain of re-election in spite of the fact that criminal charges are pending against him in the courts. They go further and assert that his conviction of the crimes with which he is charged would not deter the republican legislature from giving him another term in the senate. The senator claims he is the victim of a malicious prosecution and while he does not expect to be convicted he is prepared, in that contingency, to carry the case to the supreme court.

Talk of France's Overthrow.

Brussels, Nov. 25.—Prince Louis Napoleon and a number of the most prominent leaders of the Bonapartist movement in France are here in consultation with Prince Victor Napoleon, who resigned all claims to the throne of France in favor of his youngest brother. Many secret consultations have been held, principally upon the subject of raising funds for the cause. Nearly all the participants are confident that the time is rapidly approaching when the French government can be overthrown by a coup.

Lafayette, Ind., Nov. 25.—Purdue was defeated by Oberlin Thursday, the score being 10 to 0. The Indiana men presented a patched team, several of the best men being out of the game. The Ohio men averaged six pounds heavier and had better team work than Purdue.

FURNISHED rooms to rent at 200 North Bluff street.

WANTED.—Competent girl for general house work. Small family and good wages. No right party. Mrs. H. H. Bliss, 8 East St. North.

FOR RENT.—House on Cornelia street. Enquire at 135 Cornelia street, Second ward.

## THANKSGIVING DANCING PARTIES

### THE SINNISSIPPI GOLF CLUB ENTERTAINMENT.

Gave a Most Delightful Party Last Evening at the Armory—Trainmen Dance Proved One Long to be Remembered—Other Local Social Events of Interest.

One hundred and twenty couples were guests at the Armory last evening, of the Sinissippi Golf club, at what proved to be one of the most enjoyable dancing parties of the present season. It was the club's third annual, and it proved a success in every sense of the word.

Hard work on the part of the decorating committee during the past few days was plainly evident last evening, and on all sides the spacious hall presented a most inviting appearance. Patriotic bunting was much in evidence, while here and there American flags were displayed to advantage. Behind potted plants and palms Johnny Smith's orchestra played the latest in waltz and two-step time, and were obliged to respond several times to encourage.

The floor was ably cared for by the following: Howard R. Rager, W. A. Jackson, George M. McKey, A. E. Bingham, Al Schaller, and H. H. McKinney.

Many guests from out of the city attended, among whom were:

Messrs and Mesdames—  
J. V. Norcross, Chicago.  
Richard S. Tutill, Chicago.  
A. J. Thompson, Beloit.  
G. W. Mason, Chicago.

#### Trainmen Dance.

One hundred and fifty couples were guests of Bower City Lodge No. 210, Brotherhood of Railway Trainmen, on Thanksgiving eve at the Armory, and which proved to be one of the most enjoyable dancing parties of the season. For several weeks past the members of the order have been making the necessary arrangements, and nothing was found lacking.

The hall presented an inviting appearance, the windows being draped with portiers, and the room was decorated with the signal lanterns of various colors. In the gallery were two locomotive headlamps. The orchestra stand was banked with palms in abundance. An orchestra of fourteen pieces, led by Professor William Goldsborough, of Monroe, was on hand, and for the first time played at a Janesville dancing party. That they scored a hit and gave the best of satisfaction seemed to be the opinion of all present. Their music met with high favor here.

At midnight supper was served by the Auxiliary of the Brotherhood of Railway Trainmen in the vacant store in the Mitchell block next to Sherer's drug store. The repast was all that could be desired, and the ladies by their excellent service gave the best of satisfaction.

The success of the ball was due to the efficient committee of arrangements, which consisted of James J. Dee, J. J. Dulin and M. M. Norton. The floor committee consisted of Dan Ford, J. J. Dulin, M. M. Norton, F. McConnell, M. P. Dee and Dan Davey.

The ball was a success in every sense of the word.

#### Odd Fellows

Odd Fellows and their families enjoyed themselves last evening at a dancing party. The event was given under the auspices of Wisconsin Lodge No. 14 and Rebekah Lodge No. 24 at East Side Odd Fellows' hall last night.

#### Concordia Society

Members of Concordia society gave a social dancing party at Concordia hall Wednesday evening. There was a fair attendance of young people and Tuckwood's orchestra of four pieces furnished the music. The party came to an end at 1 o'clock.

#### Reliability

Is a quality some shoe dealers have lost sight of in their advertisements. They care little for truth, and a great deal for temporary sensation. It is not so with Quatsoe's advertisements. The success of this house rests upon its reliability. It advocates shoe bargains that are real genuine bona fide bargains. It tells the truth about it. The people read the prices of the other dealers, then they turn to Quatsoe's advertisements to see how much they are too high. Quatsoe is selling men's box calf, in black, winter tans, willow calf, vici kid and colt skin shoes, all on the new round toe, at \$2.50. Why pay more? F. L. Quatsoe, advertiser of facts.

MANY years of lowest shoe dealing give us a prestige. We have never yet fooled the public, and don't intend to begin at this late day: our \$2.98 shoe sale Saturday will include every shoe in the house, no matter what the regular selling price is. Come early and you'll get good service. Brown Bros.

FACTS not fancies we deal in. Our \$2.98 sale tomorrow, and the wonderful bargains to be found in shoes, are absolute facts. Come early in the morning and see for yourself. Brown Bros.

A NEVER ceasing headache is about as wearing as a severe siege of illness. About seventy-five per cent. of the headaches come from incorrect vision; you can get relief with properly fitted glasses. W. F. Hayes, the eye expert, can help you. Consult him Saturday or Monday at F. C. Cook & Co's.

WEISSEND's final closing out sale is the greatest closing out sale Janesville has ever had. It will continue after Thanksgiving until the entire stock of men's and boys' suits, pants, overcoats, hats, caps, underwear, shirts, neckwear, collars, cuffs, hosiery, mufflers, Jersey coats, cardigan jackets, sweaters, suspenders, etc., are closed out, and the prices will be cut down still lower in order to close out quickly. The assortment is still good. If in need of anything you can save 50 per cent. Look up new display ad.

CAN anyone question the makes of shoes we sell. They are the best the market affords. Our long shoe experience teaches us which makes to accept and which to discard, which give the most value for the least price to the purchaser and which do not. Nothing but long experience will give a dealer these valuable points. We place all these good makes on the bargain list for tomorrow at \$2.98 for choice. Brown Bros.

THE vestibule was three hours late this morning on account of an accident to the engine near Waunakee.

A TEMPTING Thanksgiving dinner was served at the Mary Kimball Mission home yesterday to the poor.

## NUPTIAL EVENTS STILL NUMEROUS

### THREE THANKSGIVING WEDDINGS PERFORMED.

Cupid Is on the Alert These Days in Real Earnest—Pretty Event Solemnized at Dixon, Ill., at Noon Yesterday—Other Ones of Local Interest.

At the home of the bride's parents at Dixon, Ill., yesterday at noon was performed the ceremony that united as husband and wife Miss Nancy Inice Thompson, of Dixon, and Orrin P. Matthews, of this city. Following congratulations the guests sat down to a most tempting repast.

The bride is the daughter of Mr. and Mrs. James H. Thompson, of Dixon, and although a comparative stranger here her welcome to Janesville will be a cordial one. She is held in the highest esteem in her home city and is regarded as a prime favorite.

The groom is a well known Janesville boy who has the good will of a host of friends. He is interested in the Hotel Myers tontorial parlors, and is an expert at the business, commanding the respect of all. Mr. and Mrs. Matthews will take up their home in cozy furnished quarters at the corner of Pleasant and Jackson streets.

#### Thompson-Siever.

A quiet but very pretty wedding took place at the Carolina street home of Mr. and Mrs. F. W. Shults Thanksgiving evening, the contracting parties being Miss Sophia Sievert and Andrew L. Thompson. Rev. A. C. Kempton officiated. The bride is not a stranger here, for on several occasions she had visited friends in this city. The groom is a jeweler at Mayville, N. D., where he enjoys a large trade and the confidence of all. Christian Sievert, father of the bride, and Lars Thompson, of Peterson, Minn., father of the groom, were present. The best of good wishes are extended.

#### Johnson-Kemmett.

At St. Mary's church parsonage yesterday afternoon, Rev. Father Goebel pronounced the words that united as one Miss Sarah Kemmett, of this city, and Edwin E. Johnson, of Green Bay. The bride is the daughter of Mrs. Mary Kemmett, of 219 Jackson street, and is a most worthy young lady, who has spent her life in this community, where her friends are numbered by the score. The groom is a Janesville boy, employed on the Superior division of the Chicago, Milwaukee & St. Paul road, with headquarters at Green Bay. He has the respect of all. Many extend best wishes for a long life of happiness.

#### Barrage-Baldwin.

A quiet wedding took place Wednesday evening at 6:30 o'clock at the parsonage of the Baptist church, when the pastor, Rev. Arthur C. Kempton, spoke the words that united as husband and wife, Miss Edna Baldwin and George Barrage, Jr. The bride is the daughter of Mrs. E. J. Baldwin, while the groom is a son of Mr. and Mrs. George Barrage. Both bride and groom are possessed of a host of friends who extend congratulations.

#### Webster-Maine

At Racine yesterday was solemnized the marriage of Miss Mary M. Maine and Frank N. Webster. The bride is a resident of Racine, while the groom is a well known former Janesville boy, who for a number of years was engaged in the mercantile tailoring business here prior to his removing to Milwaukee. Many friends here will extend hearty good wishes. Mr. and Mrs. Webster will make Milwaukee their home at 4205 Third street.

#### Saturday Shoe Sale.

Have you ever attended our special \$2.98 shoe sale? Were you ever disappointed in them? Did you get a bargain such as you expected to get? We have always done our level best to give shoe bargains at these sales. We have been honest in every way and believe people believe in us. The large attendance at these sales believes us to think so. Tomorrow we hold one of these \$2.98 shoe sales. You have your unlimited choice of any shoe in the house at the one price. There is nothing laid away. Everything is in plain sight. The regular selling prices do not enter into the question. \$2.98 is the only price to be thought of. \$3.00, \$3.50, \$4.00, \$4.50 and \$5.00 shoes go at \$2.98. If you are in doubt as to the real values join the crowd and come in and investigate. We deal in facts, not fancies. Brown Bros! East end of bridge.

#### We Appreciate Trade.

Our Thanksgiving trade was the largest we have enjoyed for the season in many years. We looked for a great amount of business and made greater preparations for it than ever before, but we hardly expected the land slide, you might almost call it, that came to us. We appreciate the trade, wish to thank our patrons for their liberality; we are still young and can act as grocery father to as large a family as wish to come under our wings. That people know where the greatest assortment is kept is fully demonstrated; while our stock was complete for Thanksgiving it will be still larger for the holidays, if such a thing is possible. Already we are preparing for Christmas trade and before that season gets here we will be ready to meet all comers. Sanborn.

BEAR in mind that the second entertainment on the People's Lecture Course comes next week Wednesday evening when Dr. John Henry Barrows, of Chicago, lectures on "The World Pilgrimage," telling of his recent trip to and through India.

## NEGRO SOLDIERS IN A RIOT.

Fatal Shooting Affray at Anniston, Alabama.

## CITIZENS PLEAD FOR ARMS.

Members of the Third Alabama Regiment Shot from Ambush at White Men—Provost Guard Fired On by the Infuriated Negroes.

Anniston, Ala., Nov. 25.—Negro soldiers, members of the Third Alabama (colored) regiment, lay in ambush Thursday night, shot at individual white soldiers and forced a squad of the provost guard to retire after an armed conflict. When the squad returned with re-enforcements the negroes had disappeared. The casualties are not fully known, but one dead negro has been found. A negro soldier was dangerously beaten by some white soldiers on Tenth street in the afternoon, and this incident is supposed to have caused the riotous actions on the part of the negroes.

Shortly after dark Private Gidhart of company B, Second Arkansas, while going toward his regimental camp from town, was shot in the head by a negro soldier, who also stabbed him in the back. A little later a member of the Fourth Kentucky is reported to have been shot in Walnut street by negro soldiers, who lay in a gully shooting at the white men who passed.

Firing was heard in Liberia, the negro quarter of the city, which is not far from Walnut street, and a squad of the provost guard was sent to investigate. As it turned the corner of Fifteenth and Pine streets a large crowd of negro soldiers, without warning, opened fire upon the guard with Springfield, the gun in use by the regiment. The guard returned the fire, but had few cartridges and had soon to retire. Re-enforcements and more ammunition were sent for, but when they arrived the negroes had disappeared.

The number of negroes in the mob was variously estimated from 50 to 200. In the engagement Sergt. Dodson, Third Tennessee, was shot in the arm and Private Graham, Third Tennessee, received a painful, but not necessarily dangerous wound in the stomach. Two other members of the provost guard are missing and cannot be found.

When the news of the trouble became known, white soldiers who were in the city gathered around the provost guard headquarters, begging for guns and ammunition, crying like children because their requests were not granted. Citizens formed themselves and repaired to the scene of the battle. Mayor Hight had the saloons closed.

Several negro soldiers, one with a Springfield which had just been fired, were arrested in various parts of the city and locked up, though it was with difficulty that the infuriated white soldiers and citizens were prevented from wreaking summary vengeance upon them. The armories of the two local military companies were broken into and every gun and cartridge appropriated by unknown parties.

Gen. Royal T. Frank, who is in command of the troops here, was on the street until a late hour. Col. Colby, commanding the Second brigade, ordered out two companies each of the Third Tennessee and Second Arkansas and brought them to the city for whatever service might be required. They scoured the city and carried all soldiers not on duty back to camps.

A member of the Fourth Wisconsin is said to have been shot, but the report cannot be verified.

Firing has been heard at intervals in various parts of the city, and rumors are afloat of several crowds of negroes still in ambush.

**Bank of England's Figures.**

The proportion of the Bank of England's reserve to liability, which last week was 53.90 per cent, is now 54.60 per cent. The Bank of England's rate of discount remains unchanged at 4 per cent.

**Cannon for Nicaragua Canal.**  
Washington, Nov. 25.—Representative Joseph Cannon of Illinois said last night: "It seems to me the public sentiment of the country demands the construction of the Nicaragua canal. My judgment is that the matter will receive the early consideration of congress. I may say, however, that the early construction of the canal is necessary to the development and commerce of the United States in peace and to their defense in war."

**Chosen Assassin Locked Up.**  
Hamburg, Nov. 25.—A dispatch from Altona, near here, says an umbrella-maker of Oldenburg who boasted that he had been chosen by lot to assassinate Emperor William on the latter's return from Palestine, has been sentenced to three years' imprisonment, after having been convicted of lese majeste.

## COINAGE OF GOLD.

Director of the Mint Reviews the Year's Events in Finance.

Washington, Nov. 25.—In his annual report Mr. George E. Roberts, director of the mint, says in part:

"The most important events of the fiscal year in the world of government finance have been the consummation of the long planned resumption of specie payments by Russia in gold, the reorganization of the monetary system of Japan with gold as the standard, and the refusal of the government of India to co-operate with the governments of the United States and France in an effort to establish bimetalism by international agreement."

"The gold coinage of the world in 1897 was the largest recorded, amounting in value to \$437,713,342, against \$195,999,517 in 1896. Of the former sum \$146,622,194 was recoinage, and approximately \$291,097,148 a net addition to the stock of gold coins."

The estimated increased gold production for 1898 is given at \$45,687,000, which, added to the figures of 1897, would indicate a world's product in 1898 of \$263,192,800, if the remaining countries in their aggregate are unchanged. The product of 1891, \$130,000,000, will be more than doubled, and the combined value of the gold and silver product ten years ago exceeded by gold alone.

## The Gold That Glitters.

DO RICHES MAKE HAPPINESS, OR DOES HEALTH MAKE WEALTH?

The richest man cannot always be said to be the most successful, for true success is not possible without happiness. Many a wealthy man would give all he now possesses to have the health and happiness of a young athlete. Health is not hard to get and keep if good judgment is used in caring for and supplying the needs of the system. Nature often needs assistance; you sometimes abuse nature by overtaxing your nerves, your brain, or your body, and you haven't time to relax, and take the rest that you need. You must have outside help. Pabst Malt Extract, The "Best" Tonic, will supply the extra fuel, food, and strength; it is absolutely pure—an unequalled assistant to nature in giving health, vitality and strength. It will make you eat and sleep well, and cause you to feel like yourself again, or perhaps, better than you ever felt in your life. The "Best" Tonic was awarded the 100 points of perfection at the World's Fair, and was the only Malt Extract which received that honor. Your nearest druggists carry Pabst Malt Extract, The "Best" Tonic in stock.

Three to two, Favorite Base Burners have three hot air flues. Other stoves have but two.

Never noticed the flues? Most people haven't.

Flues carry the heat from the fire pot around the stove. In a three-flue stove (the Favorite) two flues carry the heat down the outer edges of back and around the extreme outer edges of base to the front of the stove.

Here they unite and return across the center of base and up the center of back.

Three flues on the back of stove, three flues on the base of stove.

Every inch of the stove a positive heating surface.

A two-flue stove has but one flue down and one flue up.

The three-flue arrangement spreads the heat to the extreme outer surfaces of the back and of the base.

The more heating surface you have the less coal you waste.

## WINE OF CARDUI

## WOMEN WHO WORK.

St. Louis, Mo., Aug. 12.  
Though only 18 years old, I suffered from pains and female troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved.

MISS MARGARET WALSH.

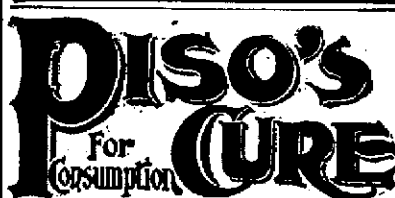

## Wine of Cardui

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoea, headache and backache. The pay of women workers is often so notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.
